

# MEMORANDUM

**TO:** Board of Park Commissioners  
**FROM:** Lisa Sheppard, Executive Director and Kyle Kuhs, Director of Parks and Planning  
**SUBJECT:** Approval of Ice Rink Systems Bid Proposal for the dasher board replacement as part of the Watts Recreation Center PARC Grant Project  
**DATE:** June 15, 2022

---

On Friday May 20, staff received bids for the entirety of the Watts renovation project. While many of the trade packages came back at costs higher than anticipated, the bid package for the ice rink dasher boards came back favorably with the following bids received:

**Bids Included:**

1. Rink Systems Inc.- \$335,000
  - a. \$310,000 base bid
  - b. \$10,000 Alternate #1 future players box board modifications
  - c. \$15,000 Removal and disposal of existing boards
2. Becker Arena Products - \$465,807
3. American Arena - no bid

This portion of the project can be completed with minimal impact/effect on other portions of the project as it is, for the most part, a standalone item. If approved, this work will be completed prior to the opening of the outdoor ice rinks this fall.

The total cost for this portion of the work is not to exceed \$445,908 (this includes \$335,000 for the dasher boards trade package/alternates and a not to exceed value of \$110,908 for management/supervision fees, contingencies, insurance, and general conditions.

**Recommended Motion**

Approval of the Rink Systems bid proposal for the dasher board portion of the Watts renovation project not to exceed \$335,000 and \$110,908 for management/supervision fees, contingencies, insurance and general conditions.

**Approved by Roll Call Vote:**

The Rink Systems Bid was approved at the June 21, 2022 Board meeting.
